

Glendale Plastics

Environmental Policy

Glendale Plastics Ltd believes it has an important duty to ensure good environmental performance in all of its business operations and to provide the necessary organisation, commitment and training to fulfil this obligation. The senior management firmly believes in, and is committed to pollution prevention and environmental protection. These aims are achieved through:

1. Complying with all relevant existing and future legislation and customer specifications, improving on minimum standards where reasonably practicable, and expecting those working on our premises to meet the same standards.
2. Being committed to maintaining effective communication systems on environmental matters. Glendale Plastics Ltd will respond positively to enquiries and suggestions from both inside and outside the company.

All employees have responsibilities for policy implementation and can all participate and contribute to its success through their actions and suggestions.
